

Local Matters.

COLLISION.—On last Monday night, the Steamer Huron, while on her way to Goderich, collided with the Schooner E. P. Dorr just outside Point aux Barques. It was raining and blowing heavily at the time, rendering it almost impossible to see objects on the starboard quarter, and although the officers of the Huron saw a light close aboard of them, it was impossible to distinguish whether to hold on their course was safest, or to attempt to go astern of it. In the utter absence of any positive guide the latter course was adopted, when the schooner struck the Huron full in the bow, breaking her planking, and nearly sending her to the bottom. By the greatest exertion she succeeded, however, in making Huron City, where temporary repairs were effected, when she completed her trip and now lies at the ship-yard here undergoing a thorough overhauling.

It is said by those on board the Huron that the officers of the Dorr behaved in a very reprehensible manner, never stopping to enquire if any assistance could be rendered to the luckless steamer, but at once cast off their lines as soon as it was found they had sustained no damage.

The Huron will be delayed only a day or two. She expects to leave for Goderich on Monday with the excursion party.

HOUSING SHOW.—There is to be a grand Horse Show at Kalamazoo on the 3d, 4th, 5th and 6th days of October next, at which the premium list amounts to \$5,000. The Association have also secured half-fare rates on the D. & M. & C. R. R. for passengers during the days of exhibition. One premium of \$1,000 for trotting horses and \$500 for running horses will probably call out the best animals in the country, and whoever enjoys such sport will there find the best array of blooded stock that can be found in the northwest.

BOOTS AND SHOES.—Galagher & Quackenbush, Salina, have an excellent assortment of Boots and Shoes, of all styles and varieties, and their facilities for the manufacture of Goods in their line of trade are unsurpassed by those of any other establishment in Saginaw Valley. Most of the Eastern work in which they deal is manufactured expressly to their order and their tariff of prices upon stock of either home or Eastern manufacture is quite as low as that of any Boot and Shoe House upon the river.

CATHOLIC FEMALE SEMINARY.—A lot of land, 58x200 feet, adjoining the Catholic Church property on Hoyt street, has been purchased for the purpose of instituting a Catholic Female Seminary, to be conducted by the Sisters of Charity, four of whom will come here from Cincinnati to commence operations as soon as the building—the one temporarily used as a church—shall be properly fitted up.

The design is to make this a permanent, first class educational institution, affording means for a complete and thorough system of instruction in all branches, and as soon as the encouragement will warrant, to add to and enlarge and improve the buildings and premises.

IRVING HALL.—J. C. Myers' Troupe are having large and respectable audiences every night, and give the best satisfaction. It does not often fall to the lot of East Saginaw to enjoy so many good things in the line of the legitimate drama as have been produced by this talented company. We are glad to see them well patronized, and hope when they bid us farewell it may not be for long.

On Friday evening, benefit of HART LAMON, in which the popular 5 act play, "Lady of Lyons" will be presented. The Troupe close their engagement in this city on Saturday evening, with the plays of "Black Eyed Susan" and "Day after the Wedding."

Fred. Toulmin, the gentlemanly business manager, has advertised the Troupe for Ann Arbor, on Monday evening, next, where, we have no doubt, they will be well patronized.

EXCURSION.—On Monday next the steamer Huron will leave this port, arriving at Goderich in time to witness the tight rope performance of Harry Leslie, the American Blondin, and returning, arrive here on Wednesday noon. Fare for the round trip, six dollars. This affords a tip-top chance for a pleasant ride and a good escape from the hurry and bustle of business.

Two Germans interested in Sunday picnics, want to see the elephant on Sunday and on Monday paid fifty dollars for the amusement. We advise our citizens to obey the "powers that be," and seek the proper channel of redress before blindly rushing into difficulties from which it will be impossible to extricate themselves honorably.

PERSONAL.—Isaac Yates, who formerly resided at this place, can learn something to his advantage by enquiring of J. W. Toms. Any friend of Mr. Yates seeing this notice, will do him a favor by giving him this information.

MARRIED.

"Out or Sorts" expresses the feelings of many that cannot be otherwise described. Langour, weakness, nervousness, listlessness, sleeplessness, want of appetite, these symptoms are classed as ailments greater than all others combined. It is exactly for these indescribable complaints that PLINT'S BERRY PILLS are prepared. It is for the relief of these same complaints that they have become so famous. Hence it is that they are so extensively used by Clergymen, merchants, ladies, and persons of sedentary habits. They are as pleasant to the taste as they are beneficial to the stomach. The extent of their sale is almost incredible.

(From the Medical Gazette.)

THE MEDICINE OF THE AGE—The CHERRY PILLS, advertised in our columns, is perhaps the most wonderful medicine ever put forth, and one of the most useful of the "Cherry Medicine."

A sovereign cure for all irregularity in the female system, it secures the recurrence of the monthly period with precision resembling the evolutions of machinery. Never failing, innocuous, being purely vegetable, as efficient in checking overflow and assuaging pain as they are in removing obstructions and rectifying suppression these Pills are recommended to our female readers as the safest, surest, best regulator that medical skill has yet devised. Try the Cherry Pills and be convinced. Sold by all druggists.
